

## SHORT FILMS FOR CONTINUOUS PROCESS TRAINING

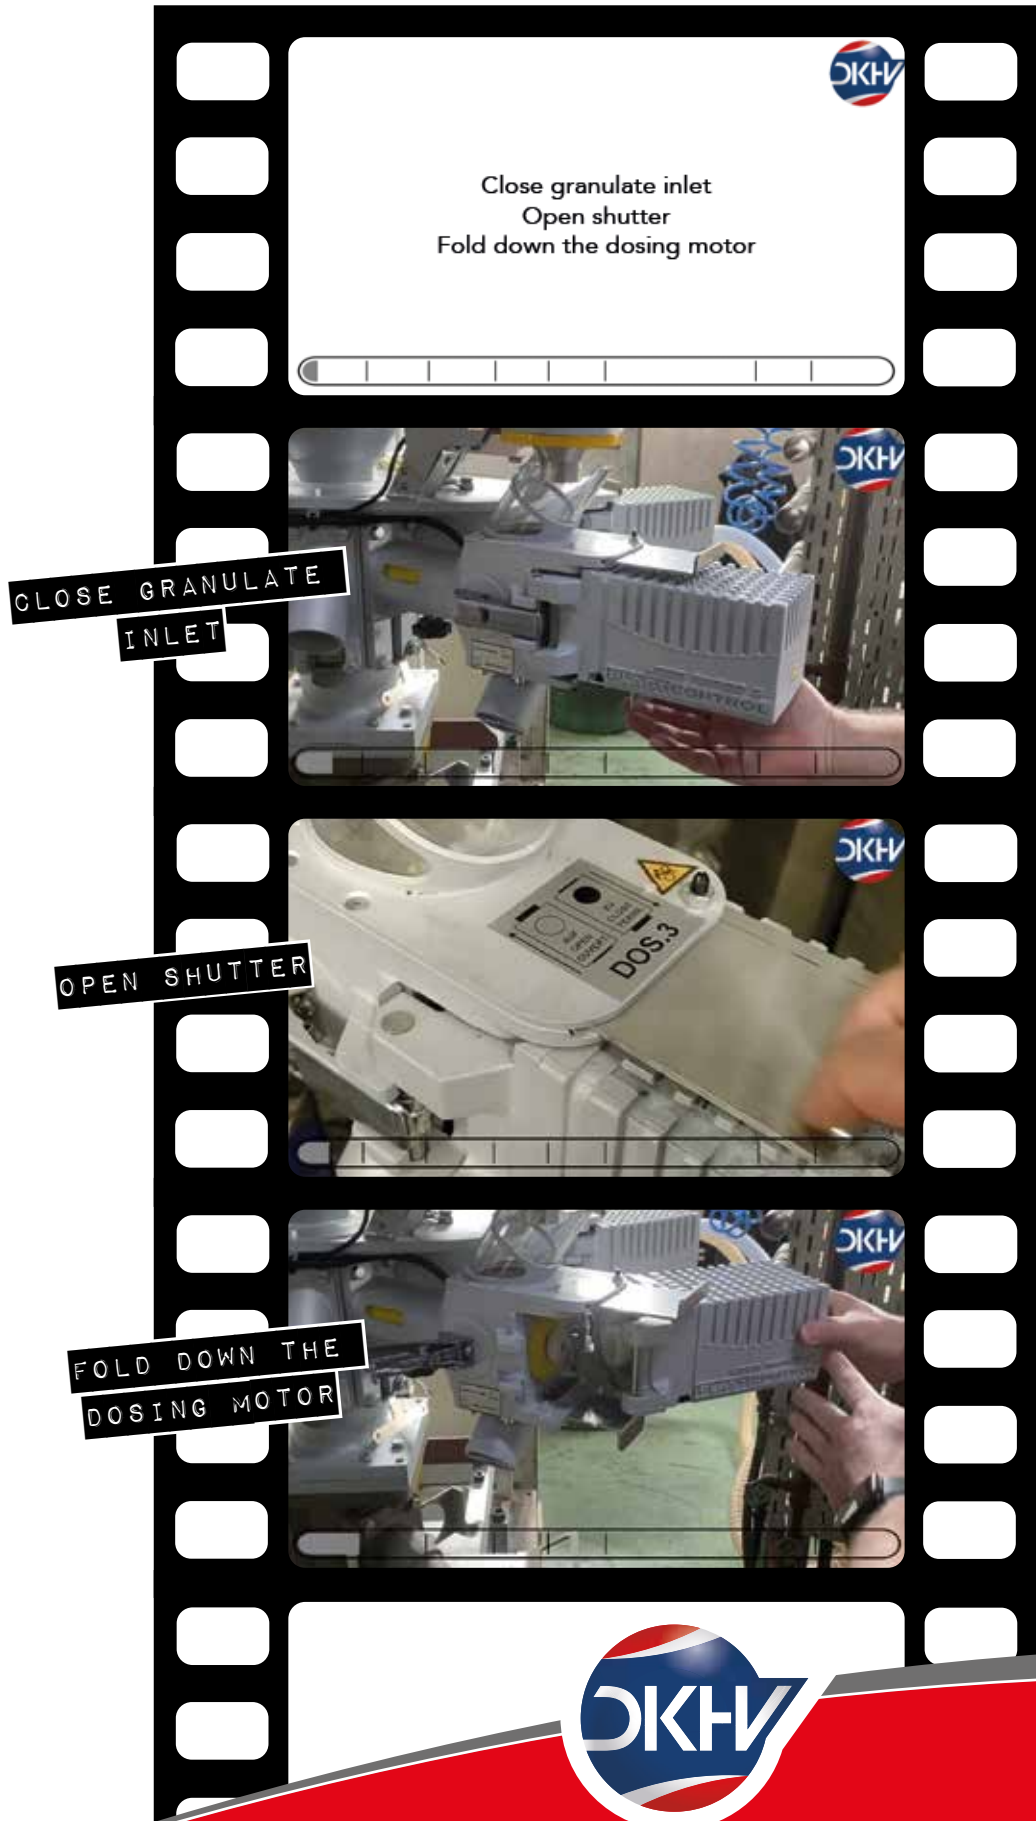

Tutorials explain operations and functions in comprehensible, also multilingual, texts (scripts) and short films (sequences). They are used for continuous training and the learning process for employees.

The scripts and sequences are created and recorded by the customer, who also holds the rights to them. DKHV then creates a professional TUTORIAL out of them.

### GENERAL INFORMATION ON RECORDING

- Films in landscape format
- Resolution: Full HD e.g. 1920 x 1080 pixels
- File format: any
- Length of the clip: approx. 3-5 minutes
- Sequences per tutorial: max. 8-10
- If people are recorded, please obtain permission beforehand!
- Standard text: English, other languages on request
- Film and text material will be in DKHV-Cloud, we will send a link on request
